

I absolutely love listening to K-Love. I have it playing while I drive and reminds me that God is what matters, not the traffic jams or the unpleasant things around me. I would desperately miss K-Love if it were taken off the air because it is a constant good message about God's love and how to be a better person for Him. The fact that I can hear prayer on the radio makes me believe the good in the world around me. I know thousands of people that listen to K-Love and it helps all of us to be happy and peaceful and love our fellow Christians. Christian music is beautiful and it speaks to my soul like nothing else. Please don't displace K-Love by and LPFM broadcaster.
